ACCEPTABLE FORMS OF IDENTIFICATION FOR NOTARY SERVICES

Please bring an original, acceptable form of identification when meeting with a Notary Public. Identification must meet California requirements for verifying your identity.

ACCEPTABLE IDENTIFICATION

- California Driver's License
- California Identification Card
- United States Passport Book or Passport Card
- Driver's License or Identification Card issued by another U.S. state
- Driver's License issued by an authorized Canadian or Mexican public agency
- Foreign Passport issued by the individual's country of citizenship
- Consular Identification Document issued by a consulate from the individual's country of citizenship
- United States Military Identification Card
- Employee Identification Card issued by a California state, city, or county government agency
- Identification Card issued by a federally recognized tribal government

IDENTIFICATION REQUIREMENTS

Where applicable under California law, identification must be current or issued within the last five years and contain:

- A photograph
- A physical description
- A signature
- A serial number or other identifying number

NO ACCEPTABLE IDENTIFICATION?

California law permits the use of credible witness(es) to establish identity under certain circumstances. If you do not have an acceptable form of identification, please contact the Notary Public before your appointment.

Please bring your original identification document to your notary appointment.
